

Ultrabind Primer

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Trade name

Ultrabind Primer

Article No.

ULP001

Synonyms

Acrylic Primer

1.2. Relevant identified uses of the substance or mixture and uses advised against

Product type

PC9a - Coatings and paints, thinners, paint removers.

Relevant identified uses

Coating material.

1.3. Details of the supplier of the safety data sheet

Manufacturer

Resincoat Ltd

Street address

Unit 21a

Kinsley Industrial Estate

Hoyle Mill Road

WF95JB Kinsley

United Kingdom

Telephone

03300570695

Email

info@resincoat.co.uk

Web site

<https://www.resincoat.co.uk/>

1.4. Emergency telephone number

Poison center/Additional emergency number

+44 20 7188 7188 - Guy's & St Thomas' Poisons Unit

0344 892 0111 - National Poisons Information Service (Newcastle Centre)

Ultrabind Primer

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

The product is not classified as hazardous according to Regulation (EC) No 1272/2008.

2.2. Label elements

The product does not need labeling in accordance with section 1.3.4.1 in CLP Regulation (EC) No 1272/2008.

2.3. Other hazards

No data available

SECTION 3: Composition/information on ingredients

3.2. Mixtures

No data available

SECTION 4: First aid measures

4.1. Description of first aid measures

No recommendation given, but first aid may still be required in case of accidental exposure of this chemical. If in doubt, GET MEDICAL ATTENTION PROMPTLY!

Inhalation

Move injured person into fresh air and keep person calm under observation. If uncomfortable: Seek hospital and bring these instructions.

Skin contact

Wash off promptly and flush contaminated skin with water. Promptly remove clothing if soaked through and flush skin with water. Do not use solvent or thinners.

Eye contact

Immediately flush with plenty of water for at least 15 minutes. Remove any contact lenses and open eyelids widely. If irritation persists: Seek medical attention and bring along these instructions.

Ingestion

DO NOT induce vomiting. Get medical attention immediately.

4.2. Most important symptoms and effects, both acute and delayed

No data available

4.3. Indication of any immediate medical attention and special treatment needed

No data available

Ultrabind Primer

SECTION 5: Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media

Foam CO2 Powder Water Spray/Mist

Unsuitable extinguishing media

Note that the application of water through jets and/or high pressure may cause frothing.

5.2. Special hazards arising from the substance or mixture

The product is non-combustible. If heated, corrosive and toxic vapours/gases may be formed. Cool containers exposed to heat with water spray and remove container, if no risk is involved.

5.3. Advice for firefighters

Special protective equipment for fire-fighters

Avoid breathing fire vapours.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

No data available

6.2. Environmental precautions

No data available

6.3. Methods and material for containment and cleaning up

Spillage should not be discharged into the drain but removed with absorbing material. Avoid discharge into drains, water courses or onto the ground. Flush with plenty of water and detergent to clean spillage area. Spillages or uncontrolled discharges into watercourses must be IMMEDIATELY alerted to the Environmental Agency or other appropriate regulatory body.

6.4. Reference to other sections

No data available

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Preventive handling precautions

Avoid inhalation of vapours and contact with skin and eyes. Store in closed original container at temperatures between 5°C and 25°C. Avoid eating, drinking and smoking when using the product.

Ultrabind Primer

General hygiene

Wash hands before breaks and before smoking, eating or drinking. Wash hands and contaminated areas with water and soap after finished work.

7.2. Conditions for safe storage, including any incompatibilities

Store in closed original container at temperatures between 5°C and 25°C. Keep out of reach of children. Store in tightly closed original container in a dry, cool and well-ventilated place.

7.3. Specific end use(s)

No data available

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

Exposure limits

No specific ventilation requirements noted, except this product must not be used in a confined space without good ventilation.

8.2. Exposure controls

Eye / face protection

Wear approved, tight fitting safety glasses where splashing is probable.

Hand protection

Suitable gloves can be recommended by the glove supplier. Wash hands at the end of each work shift and before eating, smoking and using the toilet.

Other skin protection

Barrier cream applied before work may make it easier to clean the skin after exposure, but does not prevent absorption through the skin.

Respiratory protection

No specific recommendation made, but respiratory protection may still be required under exceptional circumstances when excessive air contamination exists. Under normal conditions of use respiration protection should not be required.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state

Liquid

Colour

White.

Ultrabind Primer

Odour

No data available

Melting point / freezing point

0 °C

Boiling point or initial boiling point and boiling range

≤ 100 °C

Flammability

Non Flammable

Lower and upper explosion limit

No data available

Flash point

No data available

Auto-ignition temperature

No data available

Decomposition temperature

No data available

pH

7 - 9

Kinematic viscosity

No data available

Solubility

Miscible with water.

Partition coefficient n-octanol/water

No data available

Vapour pressure

No data available

Density and/or relative density

No data available

Relative vapour density

No data available

9.2. Other information

VOC Directive 2004/42/CE Class A.a. Max VOC 3g/l

Ultrabind Primer

SECTION 10: Stability and reactivity

10.1. Reactivity

No data available

10.2. Chemical stability

No data available

10.3. Possibility of hazardous reactions

No data available

10.4. Conditions to avoid

No data available

10.5. Incompatible materials

Avoid contact with strong oxidisers. Avoid alkalis, strong acids and heat.

10.6. Hazardous decomposition products

When heated, vapours/gases hazardous to health may be formed.

SECTION 11: Toxicological information

11.1. Information on hazard classes as defined in Regulation (EC) No 1272/2008

Germ cell mutagenicity

Based on available data, the classification criteria are not met.

Aspiration hazard

Based on available data, the classification criteria are not met.

11.2. Information on other hazards

No data available

Other

There is no data available on the product itself. The product has been assessed following the conventional method in CHIP and is classified for toxicological hazards accordingly. This takes into account, where known, delayed and immediate effects and chronic effects of components from short-term and long-term exposure by oral, inhalation and dermal routes of exposure and eye contact. See sections 2 and 15 for details of the resulting hazard classification. Splashes in the eye may cause irritation and reversible local damage. Repeated or prolonged contact may lead to removal of natural fats from the skin resulting in non allergic contact dermatitis

Ultrabind Primer

SECTION 12: Ecological information

12.1. Toxicity

No data available

12.2. Persistence and degradability

No data available

12.3. Bioaccumulative potential

No data available

12.4. Mobility in soil

No data available

12.5. Results of PBT and vPvB assessment

No data available

12.6. Endocrine disrupting properties

No data available

12.7. Other adverse effects

No data available

Other

Not classified as dangerous to the environment. However, the product should not be allowed to enter drains or water courses or be deposited where it can affect ground or surface waters.

SECTION 13: Disposal considerations

13.1. Waste treatment methods

Disposal considerations

Do not allow runoff to sewer, waterway or ground.

Waste code	Waste description
08 01 12	waste paint and varnish other than those mentioned in 08 01 11

Please note - an asterisk (*) next to a code denotes that it is HAZARDOUS WASTE.

SECTION 14: Transport information

14.1. UN number

Not applicable

Ultrabind Primer

14.2. UN proper shipping name

Not applicable

14.3. Transport hazard class(es)

Not applicable

14.4. Packing group

Not applicable

14.5. Environmental hazards

Not applicable

14.6. Special precautions for user

Not applicable

14.7. Maritime transport in bulk according to IMO instruments

Not applicable

Other

The product is not covered by international regulation on the transport of dangerous goods (IMDG, IATA, ADR/AND/RID).

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

National regulations

No data available

15.2. Chemical safety assessment

No data available

SECTION 16: Other information

No data available
